

California Criminal Investigation

California Criminal Investigation is a reference manual in which we have organized and condensed the rules and principles covering criminal investigations in California. Based on over 30 years of legal research, *CCI* is both comprehensive and authoritative, as it is based primarily on the decisions of the United States Supreme Court, the California Supreme Court, the California Court of Appeal, and the U.S. Court of Appeals. The coverage is thorough, but concise and practical.

CCI 2012—the 16th annual edition—contains 684 pages, including 3,600 endnotes with comments, examples, edifying quotes from court opinions, and over 14,000 case citations.
